

DEPUIS

1828

Vignobles M&J Perromat

Domaine de Cabirol

AOC Bordeaux Rouge

History

The Domaine de Cabirol which is the Perromat's historic family property is located at the heart of the Entre-deux-Mers in Camiac et Saint Denis.

The Perromat family has owned this vineyard since 1828. The two brothers, Jaques and Guillaume Perromat now run the domaine and they are driven by traditions and expertise that have been passed down over 6 generations.

The vineyard is 15 years old and the area is about 18 Acres.

The density of plantation is 2300 vines stock /Acre for a weak yield: 50 hl/ha.

Terroir

The vineyard is perched up on hilltops that are criss-crossed by numerous streams that have shaped them. In the "Entre-Deux Mers", the vines benefit from a perfect environment: favourable exposures, predominant clay soils and a gentle and mild maritime climate.

Blending

This vintage emerged from a blend of 40% of Merlot, 40% of Cabernet Sauvignon and 20% of Cabernet Franc.

Winemaking

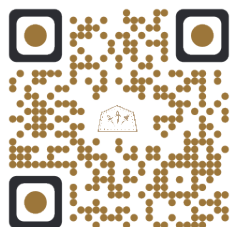

Hand picked harvests, complete destemming, control of the temperature, long extraction between 15 and 20 days.

The wine is aged in stainless steel tank for 12 months to preserve the aromatic nuances.

Tasting notes

"This wine profits from balanced varieties of grapes. The nose is powerfull with hints of red fruits (blackberry) accompanied by spicy and roasted notes thanks to the Cabernet Franc. The ample mouth offers a good length." Jacques and Guillaume Perromat.

Serve between 16 degrees and 18 degrees centigrade with meats, poultry terrines and all varieties of cheeses
